

## Portfolio

You have one month to create your professional Portfolio, and at the same time to work on your daily or weekly exercises and projects!

Figure 1: Dream Job

## Prerequisites

First retrieve your previous work <https://github.com/simplonco/Create-a-CV-with-Bootstrap-to-conquer-the-World>

## Checklist

- Link your **GitHub** account <https://github.com/settings/profile> (take the time to fill out your profile information)
- Link your **LinkedIn** account
- Link your **Stack Overflow Carrers** account (if you do not have one, create it on <http://careers.stackoverflow.com/>)

## **Hosting**

Upload your website with GitHub page, more info here: <https://pages.github.com/>
